Whereas, public works infrastructure, facilities, and services are central to sustainable communities and the health, safety, and well-being of all Utah residents;

Whereas, these critical facilities and services could not be provided without the dedicated efforts of public works professionals, engineers, managers, and employees from state and local government agencies and private businesses, who plan, design, build, operate, and maintain the transportation, water supply, water treatment, and solid water systems, as well as public buildings and other structures and facilities essential to serve our communities; and

Whereas, we recognize the importance of public works professionals and other allied professionals and workers, and pay tribute to them for their substantial contributions to our high quality of life;

Now, therefore, I, Gary R. Herbert, governor of the state of Utah, do hereby declare May 15-21, 2016, as

Public Works Week in Utah

Gary R. Herbert
Governor
